

ISGH EC 2009

Election Results (PRELIMINARY) for non Area Rep Position

The voting for ISGH Elections 2009 (for terms commencing in January 2010) were completed on Sunday, 06 December 2009.

About 2400 ISGH members exercised their right to vote. Vote counting was done the same night starting at about 7 PM. As per the provisions of ISGH Constitution & Bylaws, candidates or their designated representatives were allowed to be present at the ballot counting. With the EC members and others in attendance working together, we were able to conclude counting around 11 PM. This in itself was an achievement as counting has traditionally been a long drawn out process.

With so many individuals present at the counting, there is plenty of information available about the results. However, everyone present at the counting was cautioned, and repeatedly reminded, to remember that ALL results are to be considered preliminary, until the certified results are submitted by EC to the BOD (Shura).

To avoid any confusion or misunderstanding, EC hereby releases the names of following individual who have been elected to serve for non Area Rep positions:

Vice President	Farooq Malik
Treasurer	Aftab Silat
Director, NW Zone	Mohammad Yousuf
Director, South Zone	Fuad Cochinwala
Director, SE Zone	Ziauddin Yusuf
Assoc Dir, Adel Road	Ibrahim Badat
Assoc Dir, Champion	Maged Amine
Assoc Dir, Mission Bend	Usman Vaid
Assoc Dir, Synott Road	Irfan Ibrahim
Assoc Dir, Pearland	Bassel Choucair
Assoc Dir, Hwy 3	Manzoor Ali

Names of elected Area Reps will be released in due time as the re-checking of results is completed. As you know, the Area Rep positions are typically decided by very few votes and there are ties and other issues that need to be resolved. This time we had 35 Area Rep elections. So, it will take some time to finalize the results. Again, at the time of counting, the data available at that time was provided to all those who were present. EC will start releasing the Area Rep results as they are confirmed.
