

**In the name of Allah Most Gracious Most Merciful
Assalamo Alaikum Warhamatullah Wabaraktahu,**

I am a volunteer of ISGH going back to the only ISGH location @ Wood head & Alabama. I was involved in arranging pot lucks at homes to collect the donation for the first SW location.

I have worked as an active volunteer for the Synott Masjid in various capacities with many of the past SW Directors. Allah s.w.t. gave me the honor to be the first Assoc Director of Masjid Attaqwa with the inception of the 2nd Center: Masjid Hamza. I supported its construction, and collected funds for it. Currently, Allah s.w.t. has blessed me to serve the community as the Director of the SW Zone.

During the last several years, I have worked hard to see the Phase I and Phase II of the buildings completed in Masjid Attaqwa. Masjid Hamza was inaugurated, and now the funeral home is under construction. Maryam Masjid bought additional land, and now it is working on the construction plan and purchase additional land that I support.

Alhamdulillah, we have a community clinic (see attached) in Phase II that serves over 1,100 patients per year, and provide value in excess of \$100,000.00 to the community.

Alhamdulillah, the Darul Arqam School with the addition of 5 class rooms in phase two can accommodate 275 students, and this year we started the 9th grade. We will be adding classes each year towards a dream of high school. Alhamdulillah with the support of the community, we have a plan to build a three story 36,000 sq. ft building to meet our needs for the next 20 years Insha'Allah.

I have involved and encouraged youth to carry out the programs, give khutbas and participate in the Masjid council, and InsAllah I will help elect our first youth born and raised in the USA to be first Associate Director of ISGH SW.

I always was, I am, and I always will be an ISGH volunteer InsAllah regardless of the election outcome. Please remember in your prayers so that I continue to involve and bring youth to the forefront. Jazakumallah khairun ... Servant of Allah, and your khadim..... abdul wahid munshi
